Saloon at Bigelow. cate appears a criticism of our county they are so find of doing, that the war on the the Chicago, Barlington & court that is unjust and without founda-

tion, we think. thion on which heense for dram shop was granted C. E. Currier at the February term of court, was presented at the November term; and that at the November term the court allowed the applicant to withdraw the surface of the person system; and the Union army. To be consistent, the Democratic party is bound to hold that the peason system is a direct discrepancies in face of one per cert. Stockers and feeders are also setting better and demand strong for all good, thrifty young cattle, and some buyers claim best heavy feeders are 25c. applicant to withdraw his petition and direct discrimination in favor of one per ewt, higher, present the same at the February term, section at the expense of the other. That Hoos,—Since our last weekly review

time, supposing that the records showed nothing more than what was stated in the article, but upon subsequent ex-actination of the records, we find that his statement is false. That the records show the presentation and withdrawl of farming lands of New York, New Jersentation and withdrawl of farming lands of New York, New Jersentation and withdrawl of farming lands of New York, New Jersentation and political properties of the same date last year the exploration and political properties of the same date last year the exploration and political properties of the same date last year the exploration and political properties of the same date last year the exploration and political properties of the same date last year the exploration and political properties of the same date last year the exploration and political properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the same date last year the exploration and properties of the pr application and petition.

We do not claim that the Court's accounty, and show that the impression natura ly following the perusal of the article referred to is a wrong one. One wou'd suppose from such instituations that our courty court were catering to the whiskey element. But the records does not justify any such insiduations Mr. Currier was refused a license twice in succession-once on the petition pronounce I good by the old court. We do not say this to criticise the actions of the old court, but to show the truth of affairs and the inclination of our present court in this matter, Mr. Springs, of Muitland has also been refused. Mr. Sutter, of Corning, was alse refused a license, at least once, by the present court.

The court may in some instances then we are not sufficiently . I ing earanimal more successfully than we can; give opinions on the legalty of the pubhe road law or saloon petitions. But we are prepared to say that it is beneath the dignity of our County Court to do an act that could be construed by or in any way assisted any applicant to procure a dram shop license. Further: that the statement that the record does not show all the facts as to presentation and withdrawal of the said Currier' ssaloon petition is false. The K. C. runner may, after having been shown his mistake, as on a like previous oceasion, deny intending any reflection; but if our readers care to waste the time in reading the article referred to, we think they will, without doubt, agree that we have given it the proper con-struction, and that the Kansas City runger, either intentionally or ignoruntly, made the Advocate belie the

A BILL has been intr-duced in the New York legislature which proposes to have the state pay all the legitimate expenses of elections and thus do away with political assessments. The introduction of this neasure serves to show the growth of sentiment toward purity of the ballot and the correction of abuses which call loudly for reform.

TH E. BENEDICT. I. H. MAYNARD,

SENATOR Vest materially weakened the force of his argument on Thursday against the squandering of money in the printing of useless public docu-ments by citing the records of the rebeilion as examples of "the cort of stuff that the people do not want." It is probably true that the Democratic coustituents of Mr. Vest have little interest in these records of the rise, progress and defeat of the slave holders' spiracy against the Union; but it does not follow that they are therefore, val-

their value. The tax amounts to \$772,030. If the railroad companies paid a
tax on a valuation, say four times what
they now pay it would amount to \$3,088,000, and other tax-payers would be
greatly releved. That amount would
the enough to; all state purposes, and
they do and have now. If there are
the people might be relieved from paying state 'ax's.

Order of Publication.

The State of Missouri, County of Holt, st. In the Circuit Count of said county, April Term, 1888.

Isosoph A. Farris, p'alatiff against Eurabeth R. Farris, defendant. Divorce.

At this day, Januarry 9, 1898, comes the plain till herein, by his actonoxy, Porter & Keanish, and shows to the satisfaction of this count that the said of condant is not a resident of the State of Missouri.

Whereapen it is ordered by the court that said defendant he notified by publication that piantiff has commenced a suit against her in likis coart by petition, the object and gaineral nature of which is that plaintiff seeks to be divorced from the boads of matrimony contracted between plaintiff and defendant, on the State day of March, 1883, on the grounds of additory and abandenment; and that unless the said defendant, Elizabeth R. Farris, he and appear at this court at the next term thereof, to be begun and holden at the Court Honse, in the city of Oregon, in said county, on the 2rd day of April next 1898, and on or before the sixth day of said term, answer or plead to the petition in said cause, the same will be taken as confessed, and judgment will be rendered accordingly.

And it is further ordered, that a copy hereof be juddished accordingly.

And it is further ordered, that a copy hereof be juddished accordingly.

Second Square.

Second Square.

Second Square and enduring.

What is true in the material and social world, the enduring second social world. The mind has its order of development and cannot be hastened in its growth. Veryoung men and we men improgress, seem to forget this vital truth. Eager person buying any goods of us, for any reason whatever, become dissatisfied A slow and steady training, ranging through either as regards price, style or qualthe nand, the central fire of being, should feed ity, bring them back or send them back and get your tent energy must be stered away in the mind money, which will before it can leap into activity. The faculties are dormant powers, and have a natural order be refunded with-

> which out of chaos, produced the uni-some inconvenience by those who are a little verse, the earth, the air, the heavens, with all unreasonable, still the rule being for the "bentheir starry splendors, was a power, working effit of the many at the expense not by mighty revolutions, but slowly, silently of the few," we are well satthrough infinite ages. The forces of violent ac-tion—the wind, the flood, the carthquake—are benefits we have derived from it is for more forces of destruction. Then, is man so great as than the petty inconvenience that if has en-
